Why Choose Organic?

It's Just Cooler - Organic farms emit less global warming potential than other farming systems.

All Natural, Always - Organic food is grown without synthetic fertilizers and pesticides.

Happy Animals - Organic means animals are raised in conditions that accommodate their natural behaviors, with 100% organic feed, and without antibiotics or hormones.

GMOs? No Way! - Organic certification means no genetically engineered or modified ingredients.

CHARITY OF THE MONTH

FINLEY FOOD PANTRY

The Finley Food pantry provides fresh and shelf-stable food items to residents of Glen Cove. Staffed by student and teacher volunteers, the pantry goes above and beyond to serve about 200 families – taking special orders, sending food home with students, and making deliveries for families lacking transportation. The Food Pantry has partnered with The Porch Pantry, and is also doing many diaper and formula deliveries to families who are having difficulty finding and purchasing baby formula, continuing to ensure local families get what they need. We're proud to be donating to this amazing program that makes such a difference in the lives of our Glen Cove neighbors.
