# CHARITY OF THE MONTH

## NORTH SHORE SOUP KITCHEN

The North Shore Soup Kitchen has been feeding the food insecure in the Glen Cove area since 1989. Led by volunteers, this nonprofit serves over 15,000 meals each year, including many holidays. Although the food pantry is a large part of the service North Shore Soup Kitchen provides, they do so much more. Visitors can receive other assistance such as clothing donations, groceries, and some guidance about available social services. In a month where everyone is thinking about gathering around a table full of friends, family, and food, we can't think of a better time to give back to an organization focused on providing that for residents in need.
